DISCUSSION ITEMS:

1) The Sierra Business Council will be facilitating a public study session for the City of Sonora Energy Action Plan.

Paul Ahrns and Kriselda Bautista, with the Sierra Business Council, presented information regarding the preparation of the City of Sonora's Energy Action Plan by the Sierra Business Council. They explained what an Energy Action Plan was and its purpose. They detailed the Plan's development process and its format. They stated that PG&E was providing funding for the City's Plan. They also stated that input from City residents and business owners is important for a successful Plan. They informed those in attendance that a survey is available through Survey Monkey and provided flyers with the link. They also stated that the survey information was available on the City's website. Following their presentation, they facilitated the public study session to provide an opportunity for the Planning Commission and public to give input on areas of energy efficiency that should be considered during the Plan's adoption.

2) Community Development Director's Report

Community Development Director, Rachelle Kellogg informed the Commissioners that Chris Garnin and John Richardson had been reappointed to the Planning Commission and thanked them for their service. She also stated that there would be a Planning Commission Meeting in July.
