

Public Works Department

DEPARTMENT PURPOSE

The Public Works Department is responsible for maintaining the City's infrastructure and facilities including streets, storm drains, buildings, parks, parking lots and cemetery. In addition, this Department includes the budget for the City Engineer. The Department's goal is to provide the highest level of service with the staff and resources available. The Department strives to continually provide the level of service and safety deserved by the City, its residents and visitors and work with the community to identify and address areas of needed improvement.

BUDGET OVERVIEW

The general fund provides the largest amount of unrestricted funds for the Departments operational needs. This fund supports the majority of the operational costs associated with the Department services. The balance of the Department's budget is from Measure I with the exception of direct charges to Sunrise Hills or other dedicated funds. This budget has been established based on the personnel, equipment and supply needs to deliver the services the Department provides.

The FY 2017/18 budget includes a limited duration, one-year Public Works Assistant Position. The Department currently in need of relief assistance to cover a staffing vacancy that exists due to an employee being out for an extended duration. This limited duration position will be a full-time, benefited position that is committed for a twelve-month duration. The Measure I fund has sufficient fund balance available to offset this cost so there is no budgeted general fund impact.

General Fund: Public Works FUND 303 216

PROGRAM PURPOSE

The Public Works Department is responsible for maintaining the City's infrastructure and facilities. Costs associated with buildings, parks, parking lots and the cemetery are in their respective programs. The purpose of this portion of the Public Works budget is to provide the funding the majority of the Departments personnel and operational costs. The remainder of these costs is allocated to Measure I or the specific Department programs.

BUDGET OVERVIEW

The FY 2017/18 budget remains consistent with prior years staffing and cost allocations. The budgeted staffing includes a public works supervisor and supervising mechanic, three public works specialists and one public works assistant. There is a slight increase in salary and benefits due to a cost of living adjustment and higher PERS and health benefit rates. Overall, the Departments budget is slightly less than the prior fiscal year due to staffing transitions and cost containment measures.

MEASURE I FUND 405

PROGRAM PURPOSE

The Public Works Department's Measure I fund was established as a result of a sales tax increase which took effect January 1, 2005. In 2004 voters passed a special tax initiative for a ½% increase to sales tax within the City limits. The purpose of this initiative was to improve city services for residents, businesses, and visitors to the City of Sonora. The Public Works Department receives 15% of this revenue for the purpose of hiring additional personnel; equipment and facility enhancements and infrastructure improvements.

BUDGET OVERVIEW

The Measure I operating budget remains consistent with prior year's allocations. However, the budgeted staffing, which typically includes an equipment mechanic and public works specialist, also includes a public works assistant position. The public works assistant position is a limited-duration, full-time position that is committed for a twelve-month period. The position is needed due to an extended employee absence. There is sufficient fund balance available to cover the cost of this one-year position.

SUNRISE HILLS

FUND 320 (Unit 1 – Residential)

FUND 321 (Unit 2 – Commercial)

PROGRAM PURPOSE

In 1999, the Sunrise Hills Landscaping and Light District was formed. Unit 1 (Fund 320) consisted of 87 residential lot and Unit 2 (Fund 321) consisted of 13 commercial lots. The District was formed to provide funds to provide for street light (power and fixtures) and landscaping (irrigation water and irrigation system, trees, shrubs and groundcover) maintenance in the Sunrise Hills subdivision. As the landscaping matured, the watering was eliminated. Current maintenance service is limited to lighting and landscape maintenance. The annual assessments have been eliminated due the reserves that have accrued. The District sunsets in 2019.

BUDGET OVERVIEW

The budgets provide funding for the street light energy costs and Public Works employee costs for the landscape maintenance.

Capital Projects

DEPARTMENT PURPOSE

Capital Project Funds are typically used to account for financial resources that are used for the acquisition or construction of major capital infrastructure or to provide or improve facilities for City Departments.

BUDGET OVERVIEW

Funds that are available for Capital projects include RSTP (Regional Surface Transportation Program) Exchange, LTF (Local Transportation Fund) and Traffic Mitigation fund. For major capital projects separate funds are created that identify the project expenditures and the respective funding sources. The City has created separate project funds for the Mono Way Widening project and the Mono/Greenley Intersection project.

RSTP Exchange

RSTP Exchange
Fund 357

PROGRAM PURPOSE

During FY 2015/16, RSTP funds were used by the City, in combination with LTF and local gas tax funds, to overlay Washington Street. Additional RSTP funds were received from the TCTC (Tuolumne County Transportation Council) to overlay Norlin Street.

BUDGET OVERVIEW

There is no budgeted activity with RSTP funds for FY 2017/18.

FUND 361

PROGRAM PURPOSE

The Mono Way widening project was substantially complete in FY 2014/15. The project was jointly funded by the City and County through their traffic impact mitigation funds. There are funds remaining to complete the corner monumentation, landscaping along the decorative wall and mitigation landscaping within the creek corridor. Due to the drought, the landscaping work was held in abeyance.

BUDGET OVERVIEW

The FY 2017/18 budget includes funding to complete the corner monumentation project and other landscaping.

Greenley Mono Intersection

Greenley Mono Intersection
FUND 363

PROGRAM PURPOSE

The Greenley Mono Intersection project includes the acquisition of right of way to install an additional right turn/merge lane at the northeast corner of the intersection. The project will include the undergrounding of overhead utilities, storm drainage improvements, signal modification/upgrade, sewer and water relocation and intersection paving.

BUDGET OVERVIEW

The Greenley Mono Intersection project budget includes the completion of the right of way acquisition and project build out in FY 2017/18. The project is funded by the City's and County's traffic mitigation funds. The County has committed a 2/3 cost share up to two million dollars. The balance of the funds will come from the City Traffic Impact fund.

Traffic Mitigation

Traffic Mitigation
FUND 350

PROGRAM PURPOSE

Fees are collected from development projects to mitigate impacts from the traffic that is generated. These fees are used to fund regional transportation improvement projects in the City and County. The City's priority projects are the Mono Way Widening project and the Mono Greenley Intersection project.

BUDGET OVERVIEW

The Traffic Mitigation budget reflects the impact fees to be collected from the Sonora Regional Medical Center Cancer Outpatient Pavillion project. In addition, the transfers include a reimbursement to the SRMC for land dedication and improvements and the funding of the intersection improvements.

FUND 309****PROGRAM PURPOSE**

LTF funds are allocated to the City and County when excess funds are available after meeting the transit needs of the community. During FY 2015/2016, LTF funds were used by the City, in combination with RSTP and local gas tax funds, to overlay Washington Street. The City anticipates receiving some additional LTF funds in FY 2016/17.

BUDGET OVERVIEW

There only budgeted activity with LTF funds for FY 2017/18 is pavement stripping and patching at various locations within the City.
