Case(s) for Discussion:

Between Sunday, July 8th and Monday, July 9th, The Sonora Police Department received four separate larceny reports involving vehicles parked at the Crossroads Shopping Center in Sonora. Two of the four incidents were attempted vehicle thefts, and one vehicle was actually stolen and moved to another location in the parking lot. Why the stolen vehicle was abandoned by the suspect is unclear at this point. The fourth incident appears to be a burglary of property from the vehicle but doesn't appear to be related to the other crimes.All four of these vehicles were locked at the time of occurrence and the doors of each vehicle were compromised by pry-tools. Our Officers are investigating evidence left at the scene and are working with local business establishments for potential video evidence.We are asking the community to be aware of your surroundings at all times and report any suspicious activity you see to the Sonora Police Department at 209-532-8141. We would also like to remind the public to lock your vehicles and keep valuable property out of sight while your vehicle e is unattended.

On July 27, 2018, at approximately 8:40 am the Sonora Police Department received a telephone report from a female subject who stated that her PayPal debit master card had been used at the Roadway Inn in Sonora and she did not make the purchases, and she had physical possession of the card. Officers responded to the hotel and contacted staff who turned over a copy of the receipt for the room which showed it was rented to Kevin Michael James Defilippo. Officers responded to the hotel room and contacted Defilippo and his female guest. In the room Officer's located an embossing machine used to create access cards/credit cards, several access cards, and two glass smoking pipes.
It was determined that the female guest staying in the room provided false information to the Officer by giving her sisters name instead of hers because she had an outstanding felony warrant. Several items were seized from the hotel room, and both subjects were taken into custody.Defilippo was booked for three felony charges including Possess Access card manufacturing equipment, Defraud using forged manufacturing equipment and conspiracy. He was also booked for misdemeanor charges of possessing paraphernalia and theft using forged access card.Defilippo's female companion gave a false name to avoid arrest on an outstanding warrant out of Stanislaus County. She was booked for providing false name in addition to the charges Defillipo was booked for.

On Saturday, July 21st, a male subject passed a fictitious $100 bill at Walmart in Sonora. Another $100.00 dollar bill was passed again at Walmart later and then two more were passed at Safeway. It is unknown if these false bills were passed by the same subject(s) however, it appeared the bills were similar in appearance. We are asking for the public's help with identifying the man pictured in our Facebook post. Anyone with information please contact the Sonora Police Department at 209-532-8141.
