BACKGROUND:

This is the second reading of Ordinance No. 850, an ordinance which approves a Development Agreement between the City of Sonora and Hazy Bulldog, LLC to allow a medical cannabis dispensary at 1243 Mono Way. WHEREAS, on October 9, 2015, Governor Jerry Brown signed three bills into law (Assembly Bill 266, Assembly Bill 243, and Senate Bill 643), which are collectively referred to as the Medical Cannabis Regulation and Safety Act ("MCRSA"). MCRSA established the first statewide regulatory system for medical cannabis businesses; and

WHEREAS, in 2016, the voters of California approved Proposition 64 entitled the "Control, Regulate and Tax Adult Use of Marijuana" ("AUMA"). AUMA legalized the adult-use and possession of cannabis by persons 21 years of age and older and the personal cultivation of up to six cannabis plants within a private residence; and

WHEREAS, in February 2018, the City Council approved the circulation of a request for proposals to establish a cannabis business pilot program to evaluate potential City regulation of other cannabis businesses and gauge local interest in that regulation; and

WHEREAS, on June 27, 2017, Governor Jerry Brown signed into law the Medicinal and Adult-Use Cannabis Regulation and Safety Act ("MAUCRSA"), which created a single regulatory scheme for both medical and adult-use cannabis businesses. MAUCRSA retains the provisions in the MCRSA and AUMA that granted local jurisdictions control over whether businesses engaged in commercial cannabis activity may operate in a particular jurisdiction; and

WHEREAS, On January 16, 2018, the Sonora City Council ("City Council") adopted Ordinance 18-848 to regulate the operation of commercial cannabis businesses within the City of Sonora ("City"); and

WHEREAS, the City Council finds that establishing a structure to regulate all cannabis businesses contemplated by state law is in the best interest of the health, welfare, and safety of the public; and

WHEREAS, to strengthen the public planning process, encourage private participation in comprehensive planning, and reduce the economic risk of development, the California Legislature adopted Government Code section 65864 *et seq.* (the "Development Agreement Statute"), which authorizes the City and an individual with an interest in real property to enter into a development agreement that establishes certain development rights in real property that is subject to a development agreement application; and

WHEREAS, applicant Hazy Bulldog Farms, LLC, a California limited liability company. (the "Developer") proposes to improve, develop, and use real property to operate a medicinal cannabis dispensary business (the "Project"), in strict accordance with applicable state and local law, including, but not limited to, the Sonora Municipal Code; and

WHEREAS, the Developer has leased that certain real property located at 1243 Mono Way, in the City of Sonora, County of Tuolumne, State of California, Assessor's Parcel Number 056-190-012 (the "Site"), on which the Developer intends to develop the Project; and

WHEREAS, City and the Developer seek to enter into a development agreement for the Project (the "Development Agreement") pursuant to the Development Agreement Statute and all applicable local and state laws; and

WHEREAS, environmental impacts for the Project have been reviewed and assessed by the City pursuant to the California Environmental Quality Act ("CEQA") (Public Resources Code section 21000 *et seq.*; California Code of Regulations Title 14, section 15000 *et seq.*). The Site is categorically exempt from CEQA pursuant to Section 15301 of Title 14 of the California Code of Regulations applicable to existing facilities involving no expansion of the facility; and

WHEREAS, on October 9, 2018, the Sonora Planning Commission held a duly noticed public hearing to consider the Development Agreement, and recommended adoption of the Development Agreement to the City Council; and

WHEREAS, on October 15, 2018, the City Council held a duly noticed public hearing to consider the Development Agreement; and

WHEREAS, the City Council of the City of Sonora, based on its independent review and analysis of staff's recommendations, oral and written testimony, and the record as a whole, finds, after due study, deliberation, and public hearing, and based on its independent judgment, that the following circumstances exist:

1. The Project is consistent with the goals, policies, and standards of the City of Sonora General Plan and all other applicable standards and ordinances of the City of Sonora.

2. In accordance with the Development Agreement Statute, the City Council finds that the Development Agreement:

a. Is consistent with the objectives, policies, general land uses, and programs specified in the Sonora General Plan and any applicable specific plan; and

portions of the Ordinance. The City Council of the City of Sonora hereby declares that it would have passed this Ordinance and each section, subsection, sentence, clause, phrase, and word thereof, irrespective of the fact that any one or more section(s), subsection(s), sentence(s), clause(s), phrase(s), or word(s) be declared invalid.

C. On June 27, 2017, Governor Jerry Brown signed into law the Medicinal and Adult-Use Cannabis Regulation and Safety Act ("MAUCRSA"), which creates a single regulatory scheme for both medicinal and adult-use cannabis businesses. To strengthen the public planning process, encourage private participation in comprehensive planning, and reduce the economic risk of development, the California Legislature adopted Government Code section 65864 *et seq.* (the "Development Agreement Statute"), which authorizes City and an individual with an interest in real property to enter into a development agreement that establishes certain development rights in real property that is subject to a development agreement application.

F. Developer submitted a written application to the City Department of Planning and Community Development for consideration of a development agreement.

G. I. Developer has leased the Site for the purpose of carrying out the Project. A copy of the lease is attached hereto as **Exhibit C**, within satisfaction of the requirement of Sonora Municipal Code Chapter 8.36. The legal owner of the Site is aware of, and agrees to, the Project operating at the Site.

J. Government Code section 65867.5 requires the Planning Commission hold a public hearing to review an application for a development agreement.

K. On October 9, 2018, the Sonora Planning Commission ("Planning Commission") in a duly noticed and conducted public hearing, considered Developer's application for this Agreement.

L. On October 9, 2018, the Planning Commission adopted Resolution No. _____ recommending the Sonora City Council ("City Council") adopt Ordinance No. _____, to allow Developer to operate a medicinal Cannabis Dispensary at the Site.

O. This Agreement is entered into pursuant to the Development Agreement Statute and the Sonora Municipal Code.

P. City and Developer desire to enter into this Agreement to (i) facilitate the orderly development of the Site; (ii) create a physical environment that is consistent with and complements City's goals and visions; (iii) protect natural resources from adverse impacts; (iv) improve, upgrade, and create additional community facilities and infrastructure, enhance services, and assist in implementing the goals of the General Plan; and (vi) reduce the economic risk of development of the Site to both City and Developer.

ARTICLE 2
DEVELOPMENT OF PROPERTY

Section 2.1. Vested Right of Developer. During the Term, in developing the Site consistent with the Project described herein, Developer is assured that the development

rights, obligation terms, and conditions specified in this Agreement, including, without limitation, the terms, conditions, and limitations set forth in the Exhibits, are fully vested in Developer and may not be modified or terminated by City except as set forth in this Agreement or with Developer's written consent.

Section 2.2. Vested Right to Develop. In accordance with Section 2.1, Developer shall have the vested right to develop and use the Project consistent with this Agreement, the Conditional Use Permit, and Subsequent City Approvals.

Section 2.3. Permitted Uses and Development Standards. Developer shall be authorized to develop, construct, and use the Site for Commercial Cannabis Activity consistent with the following license type (the "Authorized License"):

Type 10	Retail (medicinal cannabis only)

Developer shall be permitted to use the Site consistent with the Authorized License for the Term of this Agreement and during the time Developer is applying for the Authorized License with the applicable State Licensing Authority. Notwithstanding the foregoing, Developer is required to apply for and obtain the Authorized License from the State of California. If the State Licensing Authority does not grant the Authorized License to Developer, Developer shall immediately cease Commercial Cannabis Activity on the Site. Developer shall also, within thirty (30) calendar days of receiving notice from the State Licensing Authority, notify City of the State Licensing Authority's denial or rejection of any license. If the Authorized License is not granted by the State of California, Developer shall immediately cease operations. In this situation, this Agreement shall terminate immediately. The Parties intend for this Agreement and the Conditional Use Permit to serve as the definitive and controlling documents for all subsequent actions, discretionary or ministerial, relating to development of the Site and Project.

Section 2.4. Major Amendment to Permitted Uses. Developer may request to add to the Authorized License one or more of the license types then authorized by the California Cannabis Laws. If City Council allows any Additional Licenses, City Council shall make a finding of whether Developer's Additional Licenses will have any additional impact on City neighborhoods, infrastructure, or services. Developer shall be required to compensate City for all additional impacts on City infrastructure or services associated with any Additional Licenses and the Public Benefit Amount shall be revised accordingly. This process shall be a Major Amendment to this Agreement.

Section 2.5. Development Permit. Prior to commencing operation of any Commercial Cannabis Activity on the Site, Developer shall obtain a Conditional Use Permit and any applicable Subsequent City Approvals. Developer shall be required to comply with all provisions of the Sonora Municipal Code and any City rules and administrative guidelines associated with implementation of the Cannabis Business Pilot Program. Nothing in this Agreement shall be construed as limiting the ability of City to amend the Sonora Municipal Code or issue rules or administrative guidelines associated with implementation of the

Cannabis Business Pilot Program or Developer's obligation to strictly comply with the same.

Section 2.6. Subsequent Entitlements, Approvals, and Permits. Successful implementation of the Project shall require Developer to obtain additional approvals and permits from City and other local and state agencies. City shall comply with CEQA in the administration of all Subsequent City Approvals. In acting upon any Subsequent City Approvals, City's exercise of discretion and permit authority shall conform to this Agreement. Notwithstanding the foregoing, in the course of taking action on the Subsequent City Approvals, City will exercise discretion in adopting mitigation measures as part of the Conditional Use Permit. The exercise of this discretion is not prohibited by this Agreement, but the exercise of that discretion must be reasonable and consistent with this Agreement. Nothing in this Agreement shall preclude the evaluation of impacts or consideration of mitigation measures or alternatives, as required by CEQA.

(a) Contemplated City Rules and Guidelines. City anticipates issuing additional rules and administrative guidelines associated with implementation of the Cannabis Business Pilot Program. City may establish requirements that are identical to or place a higher standard of care as existing provisions of the California Cannabis Laws, State Retail Cannabis Regulations, or any amendments thereto. City reserves the right to adopt additional categories of rules or guidelines that are not listed in this section as part of the Cannabis Business Pilot Program. Developers will be required to comply with any and all administrative guidelines adopted by City that govern or pertain to the Project.

Section 2.7. Initiatives and Referenda. If any City ordinance, rule or regulation, or addition to the Sonora Municipal Code is enacted or imposed by a citizen-sponsored initiative or referendum after the Effective Date that would conflict with this Agreement, an associated Conditional Use Permit, Subsequent City Approvals, or reduce the development rights or assurances provided to Developer in this Agreement, such Sonora Municipal Code changes shall not be applied to the Site or Project; provided, however, the Parties acknowledge that City's approval of this Agreement is a legislative action subject to referendum. City shall cooperate with Developer and shall undertake such reasonable actions as may be appropriate to ensure this Agreement remains in full force and effect and is implemented in accordance with its terms to the fullest extent permitted by state or federal law.

Section 2.8. Regulation by Other Government Entities. Developer acknowledges that City does not have authority or jurisdiction over any other government entities' ability to grant governmental approvals or permits or to impose a moratorium or other limitations that may negatively affect the Project or the ability of City to issue a permit to Developer or comply with the terms of this Agreement. Any moratorium imposed by another government entity, including the State Licensing Authority, on City shall not cause City to be in breach of this Agreement.

Section 2.9. Developer's Right to Rebuild. Developer may renovate portions of the Site any time within the Term of this Agreement consistent with the Sonora Municipal

Code. Any such renovation or rebuild shall be subject to all design, building code, and other requirements imposed on the Project by this Agreement.

Section 2.10. Changes in California Building Standards Codes. Notwithstanding any provision of this Agreement to the contrary, development of the Project shall be subject to changes occurring from time to time to the California Building Standards Codes.

Section 2.11. Changes Mandated by Federal or State Law. The Site and Project shall be subject to subsequently enacted state or federal laws or regulations that may preempt the Sonora Municipal Code, or mandate the adoption or amendment of local regulations, or are in conflict with this Agreement or local rules or guidelines associated with the Cannabis Business Pilot Program. As provided in Section 65869.5 of the Development Agreement Statute, in the event state or federal laws or regulations enacted after the Effective Date prevent or preclude compliance with one or more provisions of this Agreement, such provisions shall be modified or suspended as may be necessary to comply with such state or federal laws or regulations. Upon discovery of a subsequently enacted federal or state law meeting the requirements of this Section, City or Developer shall provide the other Party with written notice of the state or federal law or regulation, and a written statement of the conflicts thereby raised with the provisions of the Sonora Municipal Code or this Agreement. Promptly thereafter, City and Developer shall meet and confer in good faith in a reasonable attempt to modify this Agreement, as necessary, to comply with such federal or state law or regulation provided City shall not be obligated to agree to any modification materially increasing its obligations or materially adversely affecting its rights and benefits hereunder. In such discussions, City and Developer will attempt to preserve the terms of this Agreement and the rights of Developer derived from this Agreement to the maximum feasible extent while resolving the conflict. If City, in its judgment, determines it necessary to modify this Agreement to address such conflict, City shall have the right and responsibility to do so, and shall not have any liability to Developer for doing so or be considered in breach or default of this Agreement. City also agrees to process, in accordance with the provisions of this Agreement, Developer' proposed changes to the Project that are necessary to comply with such federal or state law and that such proposed changes shall be conclusively deemed to be consistent with this Agreement without further need for any amendment to this Agreement.

Section 2.12. Health and Safety Emergencies. In the event that any future public health and safety emergencies arise with respect to the development contemplated by this Agreement, City agrees that it shall attempt, if reasonably possible as determined by City in its discretion, to address such emergency in a way that does not have a material adverse impact on the Project. If City determines, in its discretion, that it is not reasonably possible to so address such health and safety emergency, to select that option for addressing the situation which, in City's discretion, minimizes, so far as reasonably possible, the impact on development and use of the Project in accordance with this Agreement, while still addressing such health and safety emergency in a manner acceptable to City.

ARTICLE 3
ENTITLEMENT AND PERMIT PROCESSING, INSPECTIONS

Section 3.1. Subsequent City Approvals. City shall permit the development, construction, and conditionally permitted use contemplated in this Agreement. City agrees to timely grant, pursuant to the terms of this Agreement, the Sonora Municipal Code, and any Subsequent City Approvals reasonably necessary to complete the goals, objectives, policies, standards, and plans described in this Agreement. The Subsequent City Approvals shall include any applications, permits, and approvals required to complete the improvements necessary to develop the Site, in general accordance with this Agreement ("Subsequent City Approvals"). Nothing herein shall require City to provide Developer with Subsequent City Approvals prior to, or without complying with, all of the requirements in this Agreement, the Sonora Municipal Code, and any applicable state law.

Section 3.2. Timely Processing. City shall use its reasonable best efforts to process and approve, within a reasonable time, any Subsequent City Approvals or environmental review requested by Developer during the Term of this Agreement.

Section 3.3. Cooperation between City and Developer. Consistent with the terms set forth herein, City agrees to cooperate with Developer, on a timely basis, in securing all permits or licenses that may be required by City or any other government entity with permitting or licensing jurisdiction over the Project.

Section 3.4. Further Consistent Discretionary Actions. The exercise of City's authority and independent judgment is recognized under this Agreement, and nothing in this Agreement shall be interpreted as limiting City's discretion or obligation to hold legally required public hearings. Except as otherwise set forth herein, such discretion and action taken by City shall, however, be consistent with the terms of this Agreement and not prevent, hinder or compromise development or use of the Site as contemplated by the Parties in this Agreement.

ARTICLE 4
PUBLIC BENEFIT, PROCESSING, AND OVERSIGHT

Section 4.1. Processing Fees and Charges. Developer shall pay to City those processing, inspection, plan checking, and monitoring fees and charges required by City which are in force and effect at the time those fees and charges are incurred (including any post-Effective Date increases in such fees and charges) for processing applications and requests for building permits, inspections, other permits, approvals and actions, and monitoring compliance with any permits issued or approvals granted or the performance of any conditions (each a "Ministerial Fee" and collectively, the "Ministerial Fees").

Section 4.2. Public Benefit.

(a) The Parties acknowledge and agree that this Agreement confers substantial private benefits upon Developer that will place burdens upon City infrastructure, services, and neighborhoods. Accordingly, the Parties intend to provide consideration to City to

offset these impacts that commensurate with the private benefits conferred on Developer (the "Public Benefit"). In consideration of the foregoing, Developer shall remit to City as follows:

Effective Date	No Public Benefit Due.
First (1st) Business Day following the 1st Month in which Developer commences Commercial Cannabis Activity, through the end of the Term.	$10,000 each month, or 5% of Gross Receipts from Operations, whichever is higher.

(b) Collectively, these amounts shall be known as the "Public Benefit Amount".

(c) Developer shall remit the Public Benefit as applicable, to City on a monthly basis, as described in subdivision (a). Payments shall be due on the first (1st) business day of each month and will be considered delinquent on the tenth (10th) business day. Failure to remit the Public Benefit, as applicable, is a material breach of this Agreement.

(d) Developer shall file an applicable statement that complies with the California State Board of Equalization, California Department of Tax and Fee Administration, or either's successor agency (the "State Taxing Authority") for sales tax purposes, showing the true and correct amount of Gross Receipts from Operations of the Project in accordance with the State Taxing Authority's rules and regulations. Developer shall provide a copy of any such statement to City within three (3) business days of filing with the State Taxing Authority.

Section 4.3. Reporting. Developer shall provide City with copies of any reports provided to a State Licensing Authority or a State Taxing Authority within forty-five (45) calendar days of that submission. Failure or refusal of Developer to (a) provide any such report to City, State Licensing Authority, or the State Taxing Authority within the time required by that entity, or (b) pay the Public Benefit Amount or amount due to a State Licensing Authority or State Taxing Authority when the same are due and payable, shall constitute full and sufficient grounds for the revocation or suspension of the Conditional Use Permit.

Section 4.4. Records. Developer shall keep records of all Commercial Cannabis Activity in accordance with Chapter 16 (commencing with Section 26160) of Division 10 of the Business and Professions Code and the State Retail Cannabis Regulations. All records required by this Article 4 shall be maintained and made available for City's examination and duplication (physical or electronic) at the Site or at an alternate facility as approved in writing by the City Administrator or his or her designee. Upon request, Developer shall make all records relating to this Article 4 available to City within three (3) calendar days.

Section 4.5. Penalty. Developer acknowledges that to ensure proper compliance with the terms of this Agreement and any applicable laws, City must engage in costly compliance review, inspections, and, if necessary, enforcement actions to protect the health, safety, and welfare of its residents. Penalty and interest provisions are necessary to assist City in compliance review and enforcement actions. If Developer fails to make any payment when due as required by this Agreement, including the Public Benefit Amount, City may impose a "Non-Performance Penalty." A Non-Performance Penalty of ten percent (10%) shall be applied to all past due payments. City shall deliver to Developer a "Notice of Non-Performance Penalty," attached hereto as **Exhibit E**. Payment of the Non-Performance Penalty shall be in a single installment due on or before a date fifteen (15) calendar days following delivery of the Notice of Non-Performance Penalty.

Section 4.6. Interest on Unpaid Non-Performance Penalty. If Developer fails to pay the Non-Performance Penalty after City has delivered the Notice of Non-Performance Penalty, then, in addition to the principal amount of the Non-performance Penalty, Developer shall pay City interest at the rate of eighteen percent (18%) per annum, computed on the principal amount of the Non-Performance Penalty, from a date fifteen (15) calendar days following delivery of the Notice of Non-performance Penalty.

Section 4.7. Exempt from City Tax. For the Term of this Agreement, Developer shall be exempt from any City tax, including a business license tax, on commercial Cannabis businesses. Notwithstanding, Developer and Project shall be subject to any and all taxes, assessments, or similar charges or fees of general applicability enacted by the federal government, state government, or County of Tuolumne, including any tax applicable to an area greater than the City limits to which City may be a party (i.e. county tax sharing agreement).

ARTICLE 5
PUBLIC FACILITIES, SERVICES, AND UTILITIES

City shall use the Public Benefit Amount to pay for the impact on and maintenance or improvement of City neighborhoods and the existing level of service of City infrastructure and services to accommodate for the Project.

ARTICLE 6
INSURANCE AND INDEMNITY

Section 6.1. Insurance. Developer shall require all persons doing work on the Project, including its contractors and subcontractors (collectively, "Developer" for purposes of this Article 6 only), to obtain and maintain insurance of the types and in the amounts described in this Article with carriers reasonably satisfactory to City.

(a) General Liability Insurance. Developer shall maintain commercial general liability insurance or equivalent form with a limit of not less than Two Million Dollars ($2,000,000) (or as otherwise approved, in writing, by City) per claim and Two Million Dollars ($2,000,000) each occurrence. Such insurance shall also:

(i) Name City, its elected and appointed councils, boards, commissions, officers, agents, employees, and representatives as "Additional Insureds" by endorsement with respect to performance of this Agreement. The coverage shall contain no special limitations on the scope of its protection afforded to the above-listed additional insured.

(ii) Be primary with respect to any insurance or self-insurance programs covering City, its officials, employees, agents, and representatives.

(iii) Contain standard separation of insured provisions.

(b) Automotive Liability Insurance. Developer shall maintain business automobile liability insurance or equivalent form with a limit of not less than One Million Dollars ($1,000,000) for each accident. Such insurance shall include coverage for owned, hired, and non-owned automobiles. Such insurance shall also:

(i) Name City, its elected and appointed councils, boards, commissions, officers, agents, employees, and representatives as Additional Insureds by endorsement with respect to performance of this Agreement. The coverage shall contain no special limitations on the scope of its protection afforded to the above-listed Additional Insureds.

(ii) Be primary with respect to any insurance or self-insurance programs covering City, its officials, employees, agents, and representatives.

(iii) Contain standard separation of insured provisions.

(c) Workers' Compensation Insurance. Developer shall take out and maintain during the Term of this Agreement, workers' compensation insurance for all of Developer's employees employed at or on the Project, and in the case any of the work is subcontracted, Developer shall require any general contractor or subcontractor similarly to provide workers' compensation insurance for such contractor's or subcontractor's employees, unless such employees are covered by the protection afforded by Developer. In case any class of employee engaged in work on the Project is not protected under any workers' compensation law, Developer shall provide and shall cause each contractor and subcontractor to provide adequate insurance for the protection of employees not otherwise protected. Developer hereby indemnifies City for any damage resulting from failure of Developer, its agents, employees, contractors, or subcontractors to take out or maintain such insurance. Workers' compensation insurance with statutory limits and employer's liability insurance with limits of not less than One Million Dollars ($1,000,000) for each accident shall be maintained.

Section 6.2. Other Insurance Requirements. Developer shall do all of the following:

(a) Prior to taking any actions under this Agreement, furnish City with properly executed certificates of insurance that clearly evidence all insurance required in this Article, including evidence that such insurance will not be canceled, allowed to expire, or be materially reduced in coverage without thirty (30) days prior written notice to City.

(b) Provide to City, upon request, and within seven (7) calendar days of said request, certified copies of endorsements and policies, and properly executed certificates of insurance evidencing the insurance required herein.

(c) Replace or require the replacement of certificates, policies, and endorsements for any insurance required herein expiring prior the termination of this Agreement.

(d) Maintain all insurance required herein from the Effective Date of this Agreement to the earlier of the expiration of the Term or the mutual written termination of this Agreement.

(e) Place all insurance required herein with insurers licensed to do business in California with a current Best's Key Rating Guide reasonably acceptable to City.

Section 6.3. Indemnity. To the fullest extent permitted by law, Developer shall defend, indemnify, and hold harmless City and its agents, elected and appointed officials, officers, employees, consultants, and volunteers (collectively, "City's Agents") from any and all liability arising out of a claim, action, or proceeding against City, or City's Agents, to attack, set aside, void, or annul an approval concerning the Project, this Agreement, any applicable Conditional Use Permit, or Subsequent City Approvals. Developer shall execute the indemnification agreement ("Indemnification Agreement") attached hereto as **Exhibit D.**

Section 6.4. Failure to Indemnify; Waiver. Failure to indemnify City, when required by this Agreement, shall constitute a material breach of this Agreement and of any applicable Conditional Use Permit and Subsequent City Approvals, which shall entitle City to all remedies available under law, including, but not limited to, specific performance and damages. Failure to indemnify shall constitute grounds upon which City may rescind its approval of any applicable Conditional Use Permit. Developer's failure to indemnify City shall be a waiver by Developer of any right to proceed with the Project, or any portion thereof, and a waiver of Developer's right to file a claim, action or proceeding against City or City's Agents based on City's rescission or revocation of any Conditional Use Permit, Subsequent City Approvals, or City's failure to defend any claim, action, or proceeding based on Developer's failure to indemnify City.

Section 6.5. Waiver of Damages. Notwithstanding anything in this Agreement to the contrary, the Parties acknowledge that City would not have entered into this Agreement had it been exposed to liability for damages from Developer and, therefore, Developer hereby waives all claims for damages against City for breach of this Agreement. Developer further acknowledges that under the Development Agreement Statute, land use approvals (including development agreements) must be approved by the City Council and that, under law, the City Council's discretion to vote in any particular way may not be constrained by contract. Developer therefore waives all claims for damages against City in the event that this Agreement or any Project approval is: (1) not approved by the City Council or (2) is approved by the City Council, but with new changes, amendments,

conditions, or deletions to which Developer is opposed. Developer further acknowledges that, as an instrument which must be approved by ordinance, a development agreement is subject to referendum; and that, under law, the City Council's discretion to avoid a referendum by rescinding its approval of the underlying ordinance may not be constrained by contract, and Developer waives all claims for damages against City in this regard.

ARTICLE 7
MORTGAGEE PROTECTION

This Agreement, once executed and recorded, shall be superior and senior to any lien placed upon the Site or any portion thereof following recording of this Agreement, including the lien of any deed of trust or mortgage ("Mortgage"). Notwithstanding the foregoing, no breach hereof shall defeat, render invalid, diminish, or impair the lien of any Mortgage made in good faith and for value. This Agreement shall immediately be deemed in default and immediately terminate upon the foreclosure or transfer of any interest in the Site or Project, whether by operation of law or any other method of interest change or transfer, unless the City Administrator has authorized such change or transfer in advance, in writing.

ARTICLE 8
DEFAULT

Section 8.1. General Provisions.

(a) Subject only to any extensions of time by mutual consent in writing, or as otherwise provided herein, the failure or delay by any Party to perform in accordance with the terms and provisions of this Agreement shall constitute a default. Any Party alleging a default or breach of this Agreement ("Charging Party") shall give the other Party ("Charged Party") not less than ten (10) calendar days written notice, which shall specify the nature of the alleged default and the manner in which the default may be cured. During any such ten (10) calendar day period, the Charged Party shall not be considered in default for purposes of termination of this Agreement or institution of legal proceedings for the breach of this Agreement.

(b) After expiration of the ten (10) calendar day period, if such default has not been cured or is not in the process of being diligently cured in the manner set forth in the notice, or if the breach cannot reasonably be cured within ten (10) calendar days, the Charging Party may, at its option, institute legal proceedings pursuant to this Agreement or give notice of its intent to terminate this Agreement pursuant to Government Code section 65868. In the event City is the Charging Party, City may, in its sole discretion, give notice, as required by law, to the Charged Party of its intent to revoke or rescind any operable Conditional Use Permit related to or concerning the Project.

(c) Prior to the Charging Party giving notice to the Charged Party of its intent to terminate, or prior to instituting legal proceedings, the matter shall be scheduled for consideration and review by City in the manner set forth in Government Code sections 65865, 65867, and 65868 or the comparable provisions of the City Development

Agreement Ordinance within thirty (30) calendar days from the expiration of the ten (10) day notice period.

(d) Following consideration of the evidence presented and said review before City, and after providing the Charged Party an additional five (5) calendar day period to cure, the Charging Party may institute legal proceedings against the Charged Party or may give written notice of termination of this Agreement to the Charged Party.

(e) Evidence of default may arise in the course of a regularly scheduled periodic review of this Agreement pursuant to Government Code section 65865.1, as set forth in Section 8.2. If any Party determines that another Party is in default following the completion of the normally scheduled periodic review, without reference to the procedures specified in Section 8.1(c), said Party may give written notice of termination of this Agreement, specifying in the notice the alleged nature of the default and potential actions to cure said default where appropriate. If the alleged default is not cured in ten (10) calendar days or within such longer period specified in the notice or the defaulting Party is not diligently pursuing a cure or if the breach cannot reasonably be cured within the period or the defaulting party waives its right to cure such alleged default, this Agreement may be terminated by the non-defaulting Party by giving written notice.

(f) In the event Developer is in default under the terms and conditions of this Agreement, no permit application shall be accepted by City nor will any permit be issued to Developer until the default is cured, or the Agreement is terminated.

Section 8.2. Annual Review. City shall, at least every twelve (12) months during the Term of this Agreement, review the extent of good faith, substantial compliance of Developer and City with the terms of this Agreement. Such periodic review by City shall be limited in scope to compliance with the terms of this Agreement pursuant to California Government Code section 65865.1. City shall deposit in the mail or fax to Developer a copy of all staff reports and, to the extent practical, related exhibits concerning this Agreement or the Project's performance, at least seven (7) calendar days prior to such periodic review. Developer shall be entitled to appeal a determination of City or City Administrator to the City Council. Any appeal must be filed within ten (10) calendar days of the decision of City or the City Administrator, respectively. Developer shall be permitted an opportunity to be heard orally or in writing regarding its performance under this Agreement before City, the City Administrator, or City Council, as applicable.

Section 8.3. Estoppel Certificates.

(a) City shall, with at least twenty (20) calendar days prior written notice, execute, acknowledge, and deliver to Developer, Developer' lender, potential investors, or assignees an Estoppel Certificate in writing which certifies that this Agreement is in full force and effect, that there are no breaches or defaults under the Agreement, and that the Agreement has not been modified or terminated and is enforceable in accordance with its terms and conditions.

(b) At Developer's option, City's failure to deliver such Estoppel Certificate within the stated time period shall be conclusive evidence that the Agreement is in full force and effect, that there are no uncured breaches or defaults in Developer's performance of the Agreement or violation of any City ordinances, regulations, and policies regulating the use and development of the Site or the Project subject to this Agreement.

Section 8.4. Default by City. In the event City does not accept, review, approve, or issue any permits or approvals in a timely fashion, as defined by this Agreement, or if City otherwise defaults under the terms of this Agreement, City agrees that Developer shall not be obligated to proceed with or complete the Project, and shall constitute grounds for termination or cancellation of this Agreement by Developer.

Section 8.5. Cumulative Remedies of Parties. In addition to any other rights or remedies, City or Developer may institute legal or equitable proceedings to cure, correct, or remedy any default, enforce any covenant, or enjoin any threatened or attempted violation of the provisions of this Agreement, so long as any such action conforms to section 9.1(c) of this Agreement.

Section 8.6. Enforced Delay, Extension of Times of Performance. Delays in performance, by either Party, shall not be deemed a default if such delays or defaults are due to war, insurrection, strikes, walkouts, riots, floods, earthquakes, fires, casualties, acts of God, governmental restrictions imposed where mandated by governmental entities other than City, enactment of conflicting state or federal laws or regulations, new or supplementary environmental regulations enacted by the state or federal government, litigation, or other force majeure events. An extension of time for such cause shall be in effect for the period of forced delay or longer, as may be mutually agreed upon.

ARTICLE 9
TERMINATION

Section 9.1. Termination Upon Completion of Development. This Agreement shall terminate upon the expiration of the Term unless it is terminated earlier pursuant to the terms of this Agreement. Upon termination of this Agreement, City shall record a notice of such termination in substantial conformance with the "Notice of Termination" attached hereto as **Exhibit F**, and this Agreement shall be of no further force or effect except as otherwise set forth in this Agreement.

Section 9.2. Effect of Termination on Developer' Obligations. Termination of this Agreement shall eliminate any further obligation of Developer to comply with this Agreement, or some portion thereof, if such termination relates to only part of the Site or Project. Termination of this Agreement, in whole or in part, shall not, however, eliminate the rights of Developer to seek any applicable and available remedies or damages based upon acts or omissions occurring before termination.

Section 9.3. Effect of Termination on City's Obligations. Termination of this Agreement shall eliminate any further obligation of City to comply with this Agreement, or

some portion thereof. Termination of this Agreement shall not, however, eliminate the rights of City to seek any applicable and available remedies or damages based upon acts or omissions occurring before termination.

Section 9.4. Survival After Termination. The rights and obligations of the Parties set forth in this Section 9.4, Section 2.8, Section 6.3, Section 10.3, Section 10.4, Section 10.5, Section 10.7, and any right or obligation of the Parties in this Agreement which, by its express terms or nature and context is intended to survive termination of this Agreement, will survive any such termination.

ARTICLE 10
OTHER GENERAL PROVISIONS

Section 10.1. Assignment and Assumption. Developer shall not have the right to sell, assign, or transfer all or any part of its rights, title, and interests in all or a portion of Site, or Project, subject to or a part of this Agreement, to any person, firm, corporation, or entity during the Term of this Agreement without the advance written consent of the City Administrator. This assignment prohibition applies to the corporate and business entities of Developer that are a Party to this Agreement. Any assignment or transfer prohibited by this Agreement will be considered an immediate breach of this Agreement and City may elect to immediately terminate this Agreement. If the City Administrator approves an assignment or transfer of any interest detailed in this Section 10.1, City and Developer shall execute an "Assignment and Assumption Agreement" in the form attached hereto as **Exhibit G**.

Section 10.2. Covenants Running with the Land. All of the provisions contained in this Agreement shall be binding upon the Parties and their respective heirs, successors and assigns, representatives, lessees, and all other persons acquiring all or a portion of interest in the Site or Project, whether by operation of law or in any manner whatsoever. All of the provisions contained in this Agreement shall be enforceable as equitable servitudes and shall constitute covenants running with the land pursuant to California law, including California Civil Code Section 1468. Each covenant herein to act or refrain from acting is for the benefit of or a burden upon the Project, as appropriate, runs with the Site, and is binding upon Developer.

Section 10.3. Notices. Any notice or communication required hereunder between City and Developer must be in writing, and may be given either personally, by facsimile (with original forwarded by regular U.S. Mail), by registered or certified mail (return receipt requested), or by Federal Express, UPS or other similar couriers providing overnight delivery. If personally delivered, a notice shall be deemed to have been given when delivered to the Party to whom it is addressed. If given by facsimile transmission, a notice or communication shall be deemed to have been given and received upon actual physical receipt of the entire document by the receiving Party's facsimile machine. Notices transmitted by facsimile after 5:00 p.m. on a normal business day, or on a Saturday, Sunday, or holiday shall be deemed to have been given and received on the next normal business day. If given by registered or certified mail, such notice or communication shall

be deemed to have been given and received on the first to occur of (i) actual receipt by any of the addressees designated below as the party to whom notices are to be sent, or (ii) five (5) days after a registered or certified letter containing such notice, properly addressed, with postage prepaid, is deposited in the United States mail. If given by Federal Express or similar courier, a notice or communication shall be deemed to have been given and received on the date delivered, as shown on a receipt issued by the courier. Any Party hereto may at any time, by giving ten (10) days written notice to the other Party hereto, designate any other address in substitution of the address to which such notice or communication shall be given. Such notices or communications shall be given to the Parties at their addresses set forth below:

Section 10.4. Governing Law and Binding Arbitration. The validity, interpretation, and performance of this Agreement shall be controlled by and construed pursuant to the laws of the State of California. Any dispute, claim, or controversy arising out of or relating to this Agreement or the breach, termination, enforcement, interpretation, or validity thereof, including the determination of the scope or applicability of this Agreement to arbitrate, shall be determined by binding arbitration in Sacramento, California, before one arbitrator. The arbitration shall proceed pursuant to the Comprehensive Arbitration Rules and Proceedings of the Judicial Arbitration and Mediation Services. Judgment on the award may be entered in any court having jurisdiction thereof.

Section 10.5. Invalidity of Agreement / Severability. If this Agreement in its entirety is determined by a court to be invalid or unenforceable, this Agreement shall automatically terminate as of the date of final entry of judgment. If any term or provision of this Agreement shall be determined by a court to be invalid and unenforceable, or if any term or provision of this Agreement is rendered invalid or unenforceable according to the terms of any federal or state statute, any provisions that are not invalid or unenforceable shall continue in full force and effect and shall be construed to give effect to the intent of this Agreement. The Parties expressly agree that each Party is strictly prohibited from failing to perform any and all obligations under this Agreement on the basis that this Agreement

is invalid, unenforceable, or illegal. By entering into this Agreement, each Party disclaims any right to tender an affirmative defense in any arbitration or court of competent jurisdiction, that performance under this Agreement is not required because the Agreement is invalid, unenforceable, or illegal.

Section 10.6. Cumulative Remedies. In addition to any other rights or remedies, City and Developer may institute legal or equitable proceedings to cure, correct, or remedy any default, to specifically enforce any covenant or agreement herein, or to enjoin any threatened or attempted violation of the provisions of this Agreement. The prevailing party in any such action shall be entitled to reasonable attorneys' fees and costs. Notwithstanding the foregoing or any other provision of this Agreement, in the event of City default under this Agreement, Developer agree that Developer may not seek, and shall forever waive any right to, monetary damages against City, but excluding therefrom the right to recover any fees or charges paid by Developer in excess of those permitted hereunder.

Section 10.7. Third Party Legal Challenge. In the event any legal action or special proceeding is commenced by any person or entity challenging this Agreement or any associated entitlement, permit, or approval granted by City to Developer for the Project (collectively, "Project Litigation"), the Parties agree to cooperate with each other as set forth herein. City may elect to tender the defense of any lawsuit filed and related in whole or in part to Project Litigation with legal counsel selected by City. Developer will indemnify, hold City harmless from, and defend City from all costs and expenses incurred in the defense of such lawsuit, including, but not limited to, damages, attorneys' fees, and expenses of litigation awarded to the prevailing party or parties in such litigation. Developer shall pay all litigation fees to City, within thirty (30) days of receiving a written request and accounting of such fees and expenses, from City. Notwithstanding the aforementioned, City may request, and Developer will provide to City within seven (7) days of any such request, a deposit to cover City's reasonably anticipated Project Litigation fees and costs.

Section 10.8. Constructive Notice and Acceptance. Every person who after the Effective Date and recording of this Agreement owns or acquires any right, title, or interest to any portion of the Site is and shall be conclusively deemed to have consented and agreed to every provision contained herein, whether or not any reference to this Agreement is contained in the instrument by which such person acquired an interest in the Site, and all rights and interests of such person in the Site shall be subject to the terms, requirements, and provisions of this Agreement.

Section 10.9. Statute of Limitations and Laches. City and Developer agree that each Party will undergo a change in position in detrimental reliance upon this Agreement from the time of its execution and subsequently. The Parties agree that section 65009(c)(1)(D) of the California Government Code, which provides for a ninety (90) day statute of limitations to challenge the adoption of this Agreement, is applicable to this Agreement. In addition, any person who may challenge the validity of this Agreement is hereby put on notice that, should the legality or validity of this Agreement be challenged by any third

party in litigation, which is filed and served more than ninety (90) days after the execution of this Agreement, City and Developer shall each assert the affirmative defense of laches with respect to such challenge, in addition to all other available defenses. This Section in no way limits the right of a Party, claiming that the other Party breached the terms of this Agreement, to bring a claim against the other Party within the four (4) year statute of limitations set forth in Section 337 of the California Civil Code.

Section 10.10. Change in State Regulations. In no event shall Developer operate the Project in violation of the Agreement, or State Cannabis Manufacturing Regulations, as many be amended from time to time.

Section 10.11. Standard Terms and Conditions.

(a) Venue. Venue for all legal proceedings shall be in the Superior Court of California in and for the County of Tuolumne.

(b) Waiver. A waiver by any Party of any breach of any term, covenant, or condition herein contained or a waiver of any right or remedy of such Party available hereunder, at law or in equity, shall not be deemed to be a waiver of any subsequent breach of the same or any other term, covenant, or condition herein contained or of any continued or subsequent right to the same right or remedy. No Party shall be deemed to have made any such waiver unless it is in writing and signed by the Party so waiving.

(c) Completeness of Instrument. This Agreement, together with its specific references, attachments, and Exhibits, constitutes all of the agreements, understandings, representations, conditions, warranties, and covenants made by and between the Parties hereto. Unless set forth herein, no Party to this Agreement shall be liable for any representations made, express or implied.

(d) Supersedes Prior Agreement. It is the intention of the Parties hereto that this Agreement shall supersede any prior agreements, discussions, commitments, or representations, written, electronic, or oral, between the Parties hereto with respect to the Site and the Project.

5. ORDINANCES AND STATUTES. Lessee shall comply with all statutes, ordinances and requirements of all municipal, state and federal authorities now in force, or which may hereafter be in force, pertaining to the premises, occasioned by or affecting the use thereof by Lessee.

6. ASSIGNMENT AND SUBLETTING. Lessee shall not assign this lease or sublet any portion of the premises without prior written consent of the Lessor, which shall not be unreasonably withheld. Any such assignment or subletting without consent shall be void and, at the option of the Lessor, may terminate this lease.

7. UTILITIES. All applications and connections for necessary utility services on the demised premises shall be made in the name of Lessee only, and Lessee shall be solely liable for utility charges as they become due, including those for sewer, water, gas, electricity, and telephone services.

8. ENTRY AND INSPECTION. Lessee shall permit Lessor or Lessor s agents to enter upon the premises at reasonable times and upon reasonable notice, for the purpose of inspecting the same, and will permit Lessor at any time within sixty (60) days prior to the expiration of this lease, to place upon the premises any usual To Let or For Lease signs, and permit persons desiring to lease the same to inspect the premises thereafter.

11. INSURANCE. Lessee, at his expense, shall maintain plate glass and public liability insurance including bodily injury and property damage insuring Lessee and Lessor with minimum coverage as follows:

Lessee shall provide Lessor with a Certificate of Insurance showing Lessor as additional insured. The Certificate shall provide for a ten-day written notice to Lessor in the event of cancellation or material change of coverage. To the maximum extent permitted by insurance policies which may be owned by Lessor or Lessee, Lessee and Lessor, for the benefit of each other, waive any and all rights of subrogation which might otherwise exist.

12. EMINENT DOMAIN. If the premises or any part thereof or any estate therein, or any other part of the building materially affecting Lessee s use of the premise, shall be taken by eminent domain, this lease shall terminate on the date when title vests pursuant to such taking. The rent, and any additional rent, shall be apportioned as of the termination date, and any rent paid for any period beyond that date shall be repaid to Lessee. Lessee shall not be entitled to any part of the award for such taking or any payment in lieu thereof, but Lessee may file a claim for any taking of fixtures and improvements owned by Lessee, and for moving expenses.

13. DESTRUCTION OF PREMISES. In the event of a partial destruction of the premises during the term hereof, from any cause, Lessor shall forthwith repair the same, provided that such repairs can be made within sixty (60) days under existing governmental laws and regulations, but such partial destruction shall not terminate this lease, except that Lessee shall be entitled to a proportionate reduction of rent while such repairs are being made, based upon the extent to which the making of such repairs shall interfere with the business of Lessee on the premises. If such repairs cannot be made within said sixty (60) days, Lessor, at his option, may make the same within a reasonable time, this lease continuing in effect with the rent proportionately abated as aforesaid, and in the event that Lessor shall not elect to make such repairs which cannot be made within sixty (60) days, this lease may be terminated at the option of either party. In the event that the building in which the demised premises may be situated is destroyed to an extent of not less than one-third of the replacement costs thereof, Lessor may elect to terminate this lease whether the demised premises be injured or not. A total destruction of the building in which the premises may be situated shall terminate this lease.

14. LESSOR S REMEDIES ON DEFAULT. If Lessee defaults in the payment of rent, or any additional rent, or defaults in the performance of any of the other covenants or conditions hereof, Lessor may give Lessee notice of such default and if Lessee does not cure any such default within days, after the giving of such notice (or if such other default is of such nature that it cannot be completely cured within such period, if Lessee does not commence such curing within such days and thereafter proceed with reasonable diligence and in good faith to cure such default), then Lessor may terminate this lease on not less than days notice to Lessee. On the date specified in such notice the term of this lease shall terminate, and Lessee shall then quit and surrender the premises to Lessor, but Lessee shall remain liable as hereinafter provided. If this lease shall have been so terminated by Lessor, Lessor may at any time thereafter resume possession of the premises by any lawful means and remove Lessee or other occupants and their effects. No failure to enforce any term shall be deemed a waiver.

15. SECURITY DEPOSIT. Lessee shall deposit with Lessor on the signing of this lease the sum of
Dollars ($ 1100.00) as security deposit for the performance of Lessee s obligations under this lease, including without limitation the surrender of possession of the premises to Lessor as herein provided. If Lessor applies any part of the deposit to cure any default of Lessee, Lessee shall on demand deposit with Lessor the amount so applied so that Lessor shall have the full deposit on hand at all times during the term of this lease.

16. TAX INCREASE. In the event there is any increase during any year of the term of this lease in the City, County or State real estate taxes over and above the amount of such taxes assessed for the tax year during which the term of this lease commences, whether because of increased rate or valuation, Lessee shall pay to Lesser upon presentation of paid tax bills an amount equal to % of the increase in taxes upon the land and building in which the leased premises are situated. In the event that such taxes are assessed for a tax year extending beyond the term of the lease, the obligation of Lessee shall be proportionate to the portion of the lease term included in such year.

17. COMMON AREA EXPENSES. In the event the demised premises are situated in a shopping center or in a commercial building in which there are common areas, Lessee agrees to pay his pro-rata share of maintenance, taxes, and insurance for the common area.

18. ATTORNEY S FEES. In case suit should be brought for recovery of the premises, or for any sum due hereunder, or because of any act which may arise out of the possession of the premises, by either party, the prevailing party shall be entitled to all costs incurred in connection with such action, including a reasonable attorney s fee.

19. WAIVER. No failure of Lessor to enforce any term hereof shall be deemed to be a waiver.

20. NOTICES. Any notice which either party may, or is required to give, shall be given by mailing the same, postage prepaid, to Lessee at the premises, or Lessor at the address first written, or at such other places as may be designated by the parties from time to time.

21. HEIRS, ASSIGNS, SUCCESSORS. This lease is binding upon and inures to the benefit of the heirs, assigns and successors in interest to the parties.

22. OPTION TO RENEW. Provided that Lessee is not in default in the performance of this lease, Lessee shall have the option to renew the lease for an additional term of months commencing at the expiration of the initial lease term. All of the terms and conditions of the lease shall apply during the renewal term except that the monthly rent shall be the sum of $. The option shall be exercised by written notice given to Lessor not less than days prior to the expiration of the initial lease term. If notice is not given in the manner provided herein within the time specified, this option shall expire.

24. RADON GAS DISCLOSURE. As required by law, (Landlord) makes the following disclosure: Radon Gas is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Indemnification Agreement

INDEMNITY AGREEMENT FOR
LAND USE ENTITLEMENT PROCESSING

THIS INDEMNITY AGREEMENT FOR LAND USE ENTITLEMENT PROCESSING ("Agreement") is made and entered into on this ___ day of _____ 20__ ("Effective Date"), by and between the City of Sonora, a California municipal corporation ("City"), and Hazy Bulldog Farms LLC, a California limited liability company ("Applicant"). City and Applicant may be referred to herein individually as a "Party" or collectively as the "Parties." There are no other parties to this Agreement.

RECITALS

A. In 1996, the people of the state of California approved Proposition 215, the Compassionate Use Act of 1996 ("CUA"). The CUA enables seriously ill Californians to legally possess, use, and cultivate marijuana for medical use under state law. In 2003, the California Legislature adopted Senate Bill 420, entitled the Medical Marijuana Program ("MMP"), which authorizes qualified patients and their primary caregivers to cultivate marijuana for medical purposes without being subject to criminal prosecution under the California Penal Code.

B. On October 9, 2015, Governor Jerry Brown signed three bills into law (Assembly Bill 266, Assembly Bill 243, and Senate Bill 643) which are collectively referred to as the Medical Cannabis Regulation and Safety Act ("MCRSA"). MCRSA establishes a statewide regulatory system for the cultivation, processing, transportation, testing, manufacturing, and distribution of medical marijuana to qualified patients and their primary caregivers.

C. On November 8, 2016, California voters passed Proposition 64, the Adult Use of Marijuana Act ("AUMA"). AUMA legalizes the cultivation, commercial sale, and possession of recreational cannabis for adults age 21 and older.

D. On June 27, 2017, Governor Jerry Brown signed into law the Medicinal and Adult-Use Cannabis Regulation and Safety Act ("MAUCRSA"), which created a single regulatory scheme for both medicinal and adult-use cannabis businesses. MAUCRSA retains the provisions in the MCRSA and AUMA that granted local jurisdictions control over whether businesses engaged in commercial cannabis activity may operate in a particular jurisdiction.

E. Sonora Municipal Code ("S.M.C.") Chapter 8.36 authorizes cannabis businesses to operate within the City under specified restrictions pursuant to a Cannabis Pilot Program.

F. Applicant intends to improve, develop, and use real property to operate a cannabis dispensary business within the City (the "Project") in strict compliance with MAUCRSA and S.M.C. Chapter 8.36. Applicant must obtain certain land use entitlements including a development agreement and a Conditional Use Permit ("Land Use Entitlements") prior to initiating the Project.

G. Applicant has an agreement to lease that certain real property located in the City, at 1243 Mono Way, Sonora, California, Tuolumne County Assessor's Parcel Number 056-190-012 (the "Property"), shown on **Exhibit A** attached hereto ("Property Description").

H. As a condition of approval of the Land Use Entitlements, City has required Applicant to enter into this Agreement.

I. It is in the public interest for City and Applicant to enter into this Agreement, as Applicant will benefit from City's processing of the Project.

J. Applicant desires to enter into this Agreement to fulfill a condition of approval of the Project, which is a prerequisite for construction of the Project.

AGREEMENT

NOW, THEREFORE, in consideration of the promises, covenants, and agreements set forth below, the Parties agree as follows:

Section 1. Recitals. The recitals set forth above ("Recitals") are true and correct and are hereby incorporated into and made part of this Agreement by this reference. In the event of any inconsistency between the Recitals and Sections 1 through 19 of this Agreement, Sections 1 through 19 shall prevail.

Section 2. Applicant's Indemnification Obligations.

2.1. Indemnification for Land Use Entitlements. To the fullest extent permitted by law, Applicant shall indemnify and hold harmless City and its agents, elected and appointed officials, officers, employees, and volunteers (collectively, "City's Agents") from any and all liability arising out of a claim, action, or proceeding against City, or City's

Agents, to attack, set aside, void, or annul an approval concerning the Land Use Entitlements by reason of the action or inaction of City, or City's Agents. Applicant's duty to indemnify and hold harmless shall not extend to any claim, action, or proceeding arising from the gross negligence or willful misconduct of City, or City's Agents.

Applicant's obligations under this Agreement to indemnify City shall apply to any claim, lawsuit, or challenge against City brought against the Project, specifically including, but not limited to, any legal challenge based on the California Environmental Quality Act, codified in California Public Resources Code section 21000 et seq.; actions or proceedings brought to challenge the validity of environmental documents prepared in conjunction with the approval of the Project or Land Use Entitlements, or the requirements of any other federal, state, or local laws, including, but not limited to, general plan, specific plan, and zoning requirements.

2.2. Tender of Defense. Upon receiving notice of a claim, and pursuant to Article 6 of the Land Use Entitlements, Applicant shall assume the defense of the claim, action, or proceeding through the prompt payment of all attorneys' fees and costs, incurred in good faith and in the exercise of reasonable discretion, of City's counsel in defending such an action. Regardless of whether Applicant chooses to defend City pursuant to Section 6.4 of the Land Use Entitlements, City shall have the absolute and sole authority to control the litigation and make litigation decisions, including, but not limited to, selecting counsel to defend City and settlement or other disposition of the matter.

2.3. Deposit for Costs. Applicant shall make a refundable deposit to City within thirty (30) days of written notification from City ("Cost Deposit"), to cover the estimated fees and costs associated with City's defense of any claim, action, or proceeding. Applicant shall make any and all additional payments to City to replenish the Cost Deposit within thirty (30) days of written notice from City.

2.4. Failure to Indemnify; Waiver. Failure to indemnify City, when required by this Agreement, shall constitute a material breach of this Agreement and of the Land Use Entitlements, which shall entitle City to all remedies available under law including, but not limited to, specific performance and damages. Failure to indemnify shall constitute grounds upon which City may rescind its approval of the Land Use Entitlements. Applicant's failure to indemnify City shall be a waiver by Applicant of any right to proceed with the Project, or any portion thereof, and a waiver of Applicant's right to file a claim, action, or proceeding against City or City's Agents based on City's rescission or

revocation of the Land Use Entitlements, or City's failure to defend any claim, action, or proceeding based on Applicant's failure to indemnify City.

2.5. Satisfaction of Judgment. With respect to any claims, demands, acts, causes of action, damages, costs, expenses, settlements, losses, or liabilities which Applicant has indemnified City against, Applicant shall pay and satisfy any judgment, award, settlement, or decree that may be rendered or agreed against City and City's Agents arising out of any final, non-appealable judicial or administrative action.

2.6. Payment of Costs and Fees. Applicant's obligations under this Agreement to defend and indemnify City shall include, but not be limited to, payment of all court costs and attorneys' fees, all litigation-related costs, all costs of any judgments or awards against City, or all settlement costs which arise out of City's processing or approval of the Project.

2.7. Continuing Obligation. Applicant shall be and remain personally obligated to all the terms of this Agreement, notwithstanding any attempt to assign, delegate, or otherwise transfer all or any of the rights or obligations of this Agreement, and notwithstanding a change in or transfer of developership of the real property upon which the Project is located (or any interest therein). However, Applicant may be released from such obligations if Applicant obtains City's prior written consent to such transfer, which consent shall not be unreasonably withheld.

Section 3. **City's Obligations**. City shall notify Applicant of any claim, action, or proceeding within ten (10) business days of receiving service of any claim, action, or proceeding. If City fails to notify Applicant of any claim, action, or proceeding, Applicant shall not, thereafter, be responsible to defend, indemnify, or hold City harmless. City shall have and retain, in its sole discretion, the right to not participate in the defense of any claim, action, or proceeding. At its sole discretion, City may participate at its own expense in the defense, but such participation shall not relieve Applicant of any obligation imposed by this Agreement.

Section 4. **Notice**. Any notice or communication required hereunder between City and Applicant must be in writing and may be given either personally, by facsimile (with original forwarded by regular U.S. Mail), by registered or certified mail (return receipt requested), or by Federal Express, UPS, or other similar couriers providing overnight delivery. If personally delivered, a notice shall be deemed to have been given when delivered to the Party to whom it is addressed. If given by facsimile transmission, a notice or

communication shall be deemed to have been given and received upon actual physical receipt of the entire document by the receiving Party's facsimile machine. Notices transmitted by facsimile after 5:00 p.m. on a normal business day, or on a Saturday, Sunday or holiday, shall be deemed to have been given and received on the next normal business day. If given by registered or certified mail, such notice or communication shall be deemed to have been given and received on the first to occur of (a) actual receipt by any of the addressees designated below as the Party to whom notices are to be sent; or (b) five (5) days after a registered or certified letter containing such notice, properly addressed, with postage prepaid, is deposited in the United States mail. If given by Federal Express or similar courier, a notice or communication shall be deemed to have been given and received on the date delivered as shown on a receipt issued by the courier. Any Party hereto may at any time, by giving ten (10) days' written notice to the other Party hereto, designate any other address in substitution of the address to which such notice or communication shall be given. Such notices or communications shall be given to the Parties at their addresses set forth below:

Section 5. **Modification of Agreement**. This Agreement may be supplemented, amended, or modified only by a writing signed by City and Applicant.

Section 6. **Entire Agreement**. This Agreement constitutes the final, complete, and exclusive statement of the terms of the agreement between the Parties pertaining to the action and supersedes all other prior or contemporaneous oral or written understandings and agreements of the Parties. No Party has been induced to enter into this Agreement

by, nor is any Party relying on, any representation or warranty except those expressly set forth in this Agreement.

Section 7. **Agreement is Voluntary**. The Parties acknowledge that they have entered into this Agreement voluntarily, on the basis of their own judgment and without coercion, and not in reliance on any promises, representations, or statements made by the other Party other than those contained in this Agreement. This Agreement incorporates the entire understanding of the Parties and recites the sole consideration of the promises and agreements contained within it. The Parties have read this Agreement and are fully aware of its contents and legal effect.

Section 8. **Time of Essence**. Time is of the essence for this Agreement, and each section contained within this Agreement is made and declared to be a material, necessary, and essential part of this Agreement.

Section 9. **Severability of Agreement**. If a court or an arbitrator of competent jurisdiction holds any section of this Agreement to be illegal, unenforceable, or invalid for any reason, the validity and enforceability of the remaining sections of this Agreement shall not be affected.

Section 10. **Authority**. All Parties to this Agreement warrant and represent that they have the power and authority to enter into this Agreement, and the names, titles, and capacities herein stated on behalf of any entities, persons, states, or firms represented or purported to be represented by such entities, persons, states, or firms and that all former requirements necessary or required by state or federal law in order to enter into this Agreement had been fully complied with.
