**Subject:** Parking in front of the Sonora High Cosmetology Building on Shaws Flat Road
**Attachments:** Cosmetology Bldg Sidewalk plan -Shaws Flat-2011-opt.pdf

*Kim, Sheala,*

*Attached is a copy of the SHS plan of the Cosmetology Bldg sidewalk on Shaws Flat Road marked up with recommended no parking zones.*

*I have reviewed the matter of parking along the frontage with Mike Lagomarsino, and agree that there should be a no parking zone on both sides of the driveway to the building parking lot.*

*The reason for this recommendation is that the parking lane is too narrow along the sidewalk, and there may be conflicts with in and out traffic to the parking lot as well as the private driveway to the south.*
