RE: **Sonora Tap Room**
Second Anniversary Party – April 13th

A request has been received from Nayland Chappell, owner and manager of the Sonora Tap Room to host their second anniversary event utilizing Linoberg Street on Saturday, April 13th. Linoberg Street would be closed between Stewart and Washington Streets. Activities would include music, an outdoor beer garden and barbeque, if authorized. Attendance is estimated at approximately fifty people. The possession and consumption of alcoholic beverages (beer and wine) would be limited to the business and the confines of the secured area. Entrance would be controlled and security would be provided. The street closure would extend from 5 PM until 12 PM with the event occurring between 8 PM and 11 PM. The hours for the music have been postponed until 8 PM due to concerns expressed by an adjacent business owner. (see attached submittals)

The Sonora Municipal Code, as amended by Ordinance No. 827, provides authority for the Council to grant approval to possess and consume alcohol at public parks, streets, sidewalks, and etc. It is recommended that the City Council authorize the possession and consumption of alcoholic beverages, between the hours of 8:00 PM to 11:00 PM, subject to the following:

- Obtain Special Event Permit for the street closure
- Obtain the required ABC license
- Provide the required liability insurance
- Provide exit and no smoking signs, fire extinguishers and occupancy limits as required by the Fire Department

- Provide security staffing at all entrance/exit location(s) as required by the Police Department and limit entrance location(s) as required by ABC
- Place "no alcohol beyond this point" signs at all exits as required by the Police Department
- Place "road closed" and/or "detour" signs as directed by the Public Works Department
- Provide "fenced" enclosure as required by ABC and the Police Department

In addition, the application includes a request to have food at the event. Under the municipal code a portable food vendor may not operate within 100 feet of a restaurant without the owner's permission (see attached code section). The Tap Room is requesting an exception to this requirement and would like to have Rockin' Bar B barbeque cater this event.
