Re: Introduction of Firefighter Intern Bayley Maleske

RECOMMENDATION:

No action is needed on this item. Please welcome Firefighter Intern Bayley Maleske to the City of Sonora.

BACKGROUND:

The City of Sonora tested for the classification of Firefighter Intern. Bayley successfully completed all related testing and requirements for this position, including an extensive background investigation, and medical testing before being appointed to the position.

DISCUSSION:

Introduction of Bayley Maleske:

Bayley Maleske is from Sutter Creek California. He Went through the Columbia College Fire academy last spring and has since continued his education in Fire Technology. Bayley would personally like to thank his mother and father, the wheat family, and the Rivere family for all of their help and support throughout these last few years. He would also like to thank the City of Sonora and the whole of Sonora Fire department for accepting him for this position.

He would like to ask his Mother Roxanne Gibbs to pin his badge this evening.
