### MEMORANDUM

**DATE:** February 3, 2020  
**TO:** Honorable Mayor and Council Members  
**FROM:** Rachelle Kellogg, Community Development Director  
**SUBJECT:** East Linoberg Street Closure Extension

---

---

#### **RECOMMENDATION:**

City staff recommends approval of the following:

- 1) Extend the temporary closure of Linoberg Street, between Washington and Stewart Streets, to February 3, 2021.

#### **BACKGROUND:**

On March 4, 2019, the City Council approved the closure of Linoberg Street for a one-year trial period, with a six-month review. The project was delayed and the street closure did not occur until December of 2019. Since the closure, the Public Works Department, in coordination with the Vision Sonora Design Committee, has moved forward with the installation of the portable streetscape items. The Design Committee will be adding additional streetscape items and painting the street. The final improvement will be procuring an artist to paint a mural on the block wall of the Diamondback Grill building. Due to the closure delay, staff is recommending the trial period be extended to February 3, 2021. As before, any individuals wanting to use the street for an event will still need approval through the City's Special Event Application process.
