

Mission – Common Language – Final?	Vision – Common Language - WorkInProgress
To strengthen the city’s understanding and capacity to recognize biases and eliminate racial disparities, heal racial divisions, and build a more equitable town.	A city where all are equipped to effectively lead, serve and thrive in an inclusive and healthy community. A city in which people from all racial, ethnic and cultural backgrounds are welcome and able to thrive socially, economically, academically and physically.
Mission - SEC Member #1	SEC Member #1
To strengthen the city’s knowledge and capacity to recognize implicit bias, to lessen racial disparities, to heal racial divisions, and to build a more equitable and ultimately less divisive community.	A city in which all who enter are equipped to effectively lead serve and live in a more inclusive, thriving and healthy community. Inclusive, thriving and healthy communities are safe places where people from all racial, ethnic, and cultural backgrounds are welcome and able to thrive socially, economically, academically and physically.
Mission - SEC Member #2	Vision - SEC Member #2
To strengthen our bond as a city and, together, grow our capacity to recognize biases and abolish racial disparities, to stand as one against discriminatory process and behavior, to heal racial division, and to build a more equitable community.	A city in which all are equipped to effectively lead, serve and thrive in an inclusive and healthy community, A city in which people from all racial, ethnic, and cultural backgrounds feel safe, welcome, and supported, and flourish socially, economically, academically and physically. A city that warmly welcomes and celebrates its diverse tapestry of residents and visitors – a tapestry as vibrant as its rich history.
Mission - SEC Member #3	Vision -SEC Member #3
By June, 2022, the City of Sonora will have a comprehensive development plan to encourage economic prosperity and improvement of our quality of life, to assure inclusiveness and safety in the community.	Sonora is a city well known for her hospitality and friendly atmosphere. The city is equipped to effectively lead and serve an inclusive, thriving and healthy community. A safe place where people from all racial, ethnic and cultural backgrounds thrive socially, economically, academically and physically.
Mission - SEC Member #4	Vision -SEC Member #4
	We value our socially and racially diverse community, their safety, prosperity, and sense of belonging.
League of Cities Mission Statement	League of Cities Vision Statement
To strengthen the city’s knowledge and capacity to eliminate racial disparities, heal racial divisions, and build a more equitable town.	A city in which all are equipped to effectively lead and serve an inclusive, thriving and healthy community. Inclusive, thriving and healthy cities are safe places where people from all racial, ethnic, and cultural backgrounds thrive socially, economically, academically and physically.
