Emergency Operations Plan For The City of Sonora

PART II: Hazard Annexes

February 2014

➢ PART II – Hazard-Specific Annexes

The hazard-specific plans are more tactical in nature and changes are frequent, not requiring City Council approval. The City has elected to use the annexes contained in Part II of the Tuolumne County Emergency Services Plan are as follows:

Annex A: Extreme Weather

Annex B: Flooding/Dam Failure

Annex C: Geological Event

- Earthquake
- Volcano

Annex D: Hazardous Materials

Annex E: Terrorism/Civil Disturbance

Annex F: Transportation Accident / Multi Casualty

Annex G: Wildland Fire

Each annex covers the planning elements specific to the type of emergency addressed.
